

## DESKTOP COLOR PRINTERS

### Designed with Speed and Flexibility in Mind

The MX-C607P desktop color printer delivers crisp, high-quality output with exceptional ease of use. This compact printer provides customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Packed with robust technology and features typically found on multifunction printers, the MX-C607P will give customers the confidence to print any size job from their workplace or home office.

### Key Features

- **Ease of Use** – 4.3" (diagonal) touchscreen display offers a user-friendly graphical interface and provides quick access to print settings, a user guide, print preview and more.
- **Productivity** – Produces high quality, professional output at up to 60 pages per minute, plus available wireless connectivity enables easy access from mobile devices such as notebook computers, tablets and smartphones.
- **Workspace Friendly** – Integrates seamlessly with today's complex network environments and supports popular cloud services and mobile technologies.

*Shown fully configured with MX-FN37 optional finisher.*

*Standard desktop configuration shown*

*Easy-to-use 4.3" color touchscreen.*

*Front USB port for easy direct printing from memory devices.*

### A compact design with advanced workflow features for virtually any size office.

- Productive printing speeds of up to **60 pages per minute**.
- Offers up to **six paper sources** with available 4,500-sheet maximum paper capacity.
- True **1,200 x 1,200 dpi** resolution produces razor sharp documents.
- Intuitive **4.3" (diagonal) touchscreen** offers print preview menu to ensure your documents are printed with precision.
- Supports popular **mobile technologies**, enabling users to easily print files from smartphones, tablets and even notebook computers.
- Convenient **front-facing USB port** provides easy access for direct printing from flash drives and thumb drives.
- Supports **letter and legal size paper** as well as **labels** through the standard paper and **envelopes** through the bypass tray.
- Supports printing from **Microsoft® Word, Excel®, or PowerPoint®** directly from a mobile device, USB drive, or file server.
- Standard **PCL® 6 and PostScript®3** compatible printing delivers clear, crisp professional output.
- **Compact design** easily fits into small spaces in desktop or console configurations.
- Optional finisher offers up to **300-sheet stapling** for more functionality.
- **100-sheet bypass tray** for envelopes, labels and specialty media.

# MX-C607P SPECIFICATIONS
