

ESSENTIALS SERIES MONOCHROME DOCUMENT SYSTEMS

MX-M564N shown with options.

Color touch-screen display with intuitive menu navigation.

The new Sharp Essentials Series workgroup document systems deliver full multifunction capability and excellent value.

The MX-M364N, MX-M464N and MX-M564N monochrome document systems offer flexible multitasking workflow features and high quality output at speeds up to 56 pages-per-minute. Designed for busy workgroup environments, these models combine versatile paper handling with robust finishing options in a compact modular design that is also affordable. The new Sharp Essentials Series can help virtually any office accomplish more in less time.

Key Features

- Standard full multifunction capability out-of-box includes copying, PCL® 6 network printing and color network scanning for today's demanding office environments
- High-capacity tandem paper drawer and productive inner finisher options provide high functionality in a compact footprint
- Heightened security, including 256-bit data encryption, up to seven-times overwrite protection, and a convenient End-of-Lease feature that erases all user data and job history at trade-in time

Standard 100-sheet RSPF scans up to 56 images-per-minute.

Up to 6,600-sheet paper capacity with available options.

Available compact inner finisher with 50-sheet staple capacity.

Enhanced multifunctional capability allows you to meet tomorrow's document needs today.

- Available 500 + 2,000-sheet tandem paper drawer expands maximum online paper capacity to 6,600 sheets
- Flexible paper handling system feeds up to 80 lb. cover through the paper trays and up to 110 lb. cover through the bypass tray
- Supports Sharp's enhanced security platform with standard 256-bit data encryption, up to 7 times overwrite protection, and convenient End-of-Lease feature

- Standard 100-sheet reversing single pass
- 7" (diagonally measured) color touch-screen display with intuitive menu navigation
- Supports the Sharp OSA® development platform, enabling businesses to easily integrate with network applications and cloud services
- Network ready PCL® 6 printing system with available PostScript® 3TM

- Available full-size, retractable keyboard allows quick and easy data entry
- 600 x 600 dpi printing provides clear, crisp images even on jobs with fine detail
- ImageSEND™ function scans documents to E-mail, network folders, USB devices and more
- Energy efficient design offers low power consumption, fast warm-up and longer life parts and supplies

MX-M364N/M464N/M564N SPECIFICATIONS

		Naturali Drintina C		1V Caddla CAlash I	"ininhan (antion)
